PURPOSE. The Evening Division was opened in the fall of 1956 for a specific purpose: to provide college-level degree programs of instruction for those who must work during the day. Evening Division classes provide fully accredited, residence credit. Standards of admission, instruction and student performance are maintained at the same high level established for the day program. The University is rapidly developing evening curricula in all three undergraduate schools.

ADMISSION. Students beginning their college careers and students transferring to the University from other schools must apply to the Registrar for admission, and they must have their former high schools and colleges or universities send copies of their transcripts to the Registrar. All materials, including transcripts and completed Application for Admission form, should be in the Registrar's office by January 20, 1958.

Former and current Memphis State day, Saturday, or evening students in good standing are eligible for evening classes by virtue of their original admission to the school. Former students should notify the Director of the Evening Division of their intention to return to the University to insure that registration materials will be prepared for them.

REGISTRATION. Students whose surnames begin with the letters A-K will register Monday, February 3 at 6:00 p.m. Those whose surnames begin with L-Z will register Monday, February 3 at 7:30 p.m. Students taking both day and evening classes will register in their regular turns during the day. Students registering for both Saturday and evening classes will register with the Saturday students. No one will be permitted to register before his turn.

Each student will pick up his registration material in the Records Office (204 Administration Building) and take it directly to his advisor. When the advisor has approved the schedule, the student will procure his class cards from the card center and return to his advisor. After the advisor has inspected and approved the material, the student will proceed to the director of his school. He will then go to the Bursar's office and pay his fees.

Fees may be paid by cash or check in the Bursar's office or by mailing all registration cards and a check to the Bursar. Make checks payable to Memphis State University. Fees must be paid immediately by one of the methods given, as no student is registered for classes until he has paid his fees.

Failure to give written notice will result in a grade of "F" in each course for which the student is registered. A student who withdraws after the fifth week of the semester will have his grades recorded as WP (withdrawn passing) or WF (withdrawn failing).

COURSE CHANGES. Applications for change of course are made in the office of the Director of the Evening Division. No course may be added after February 12, and no course may be dropped after March 12.

COURSE CANCELLATION. The University reserves the right to cancel courses listed in this bulletin for which there are inadequate registrations.

Veterans entering college for the first time and desiring to take advantage of the veterans' benefits must apply to the Veterans Administration, 801 Broadway, Nashville 3, Tennessee for a "Certificate for Education and Training."
